December Newsletter—Week 1

School has certainly taken on a Christmas feel this week with rehearsals taking place for performances and classrooms being decorated. Next week is a really busy week. Here are the key events. Please note children can wear their Christmas jumpers on Wednesday as well as Friday for the Christmas dinner. I hope to see as many of you as possible at the performances to share in the children's lovely singing and acting and hope you really enjoy the festive fun.

Fantastic Footballers

On a bitterly cold Tuesday night, the Year 5 Boys' team excelled to make the finals of the Hull Schools 5 a side. Mr Boyton who accompanied the children informed me that the team played superbly showing amazing teamwork to finish the night with 4 wins out of 4! Ben, Guilio, Zac, Ebrahim, Conor and Alex all contributed to the team's performance with many children scoring and notably Conor stepping out of defence to net a great goal too. Thank you for the great support from parents, I am sure you were very proud.

Class 6 Assembly - Thank you

A huge well done to the Year 6 children for their super assembly on Wednesday. Watching and listening to the children shows just how much they are developing in confidence and pride as they did a fantastic job. The highlight was their wonderful rendition of "I'll be there" by the Jackson 5 which was wonderful. Thank you also to all of the parents who were able to share the occasion with the children. In the new year, 2 more classes will be showcasing their talents and dates for these will follow soon.

Great day at Wildlife Park

Last Friday the children of Year 5 and 6 had a fantastic day at the Yorkshire Wildlife Park. By all accounts this was a great day and the children were able to link the work well to their topic which has looked at North and South America. Thank you also to all of the parents who were able to accompany the children, I hope you enjoyed your day. This week in school I have had several conversations with children who have told me about the great experience they had and hopefully they will remember the trip for many years to come.

New School Website

We are now very close to launching a new school website. The address for this will be coming shortly, but hopefully it will have a simpler structure so that you can find what you need more easily. In addition, the news feed on the site will keep you up to date through Twitter, so that you can always know what is happening in school. I will let everyone know when the site has gone live. As time goes on more and more content will be added to the site which I hope will help parents.

Cashless School

In the new year the school will become cashless. Please could everyone sign up for this service by 13th December. If you need support please drop into the office and we will be happy to help.
