Stoneferry Primary School

December Newsletter—Week 3

I can hardly believe that the term has ended but sure enough, we have arrived at Christmas. Enormous credit must go to the children for all of the hard work they have completed over the last half term and their books really do show this.

I hope that everyone has a fantastic Christmas together and that the children return on **January 7th** as enthusiastic and motivated as they have been throughout this term. December is always a fantastic month, with so many excellent shows and moments to remember, but now finally everyone can relax for a while and refuel the batteries.

Thank you for your continued support and I wish you all a very merry Christmas.

Mr Raw, Head of School

Year 5 and 6 Exhibition

Thank you to all of the parents who managed to make it to share the children's work on Wednesday. It was great to see the children taking such pride in talking through the work they had done and explaining all of the different areas they have been learning about. With such a big change in the way we complete our afternoon work, this has really proved to me that the children are engaging with their classwork and long may it continue.

New Year, New Topics

On the website very shortly will be the topic webs for the children's new topics for the Spring term. These are:

Year 1 & 2—Toy Story

Year 3 & 4 - The Freetown Way

Year 5 & 6 - Our Precious Planet

Letters will have come home regarding any pre-learning the children might do over the holiday and details of our Launch Days in January.

Thank you Mr Dunlin

Sadly, as I have already stated, Mr Dunlin will be leaving us today. I would just like to take this opportunity to thank him once again for the tremendous job he has done over the last term, and I am sure that all of the children will miss him greatly. Many of the children have matured and developed their learning enormously during the term and are now in an excellent position moving forward. Mr Dunlin has grown very fond of the school during his time with us and I know he would love to stay. However, he now moves onto Francis Askew school where he will begin the next phase of his position within the trust. Good luck!

Welcome Miss Northen

In January, Miss Northen will begin her role as Deputy Head teacher and will be working in Year 5. She is looking forward to starting her new role and I am sure will bring many fresh ideas to the school.

School Money

Thank you with your patience with the new system. If you do have any difficulties, please let us know and we will endeavour to solve these for you.
