Stoneferry Primary School

February Newsletter—Week 1

January has been and gone and the school and classrooms are really starting to show off the new topics and work the children are completing. Within school we are incredibly aware of the importance of regular reading. This is an excellent way for children to gain ideas for their own writing and is a skill which will be needed by all the children as they grow up. As you will be aware, within school we run our Reading Rocket system, by which we ask that the children read at home 3 times during a week. Each class has a cumulative percentage worked out each week and there are class prizes and individual rewards for the children for doing so. We would really like to see more children reaching the 3 times a week standard, so if you can support us with this target we would be most grateful. Hopefully each class's total can rise next week.

Mr Raw, Head of School

Parent Pop Ins

On Tuesday and Wednesday next week we are holding our Parent Pop in sessions. Through these sessions, we hope you can come in and see the ways in which the children are learning in school and to take part in some of the activities.

Over the two days we hope to see as many of you as possible in school and I hope that you enjoy spending the time with your child or children.

Awesome Athletes Achieve Silver

On Wednesday 29th January, 8 boys and 9 girls from Year 3 and 4 represented the school at the Hull Sportshall Athletics competition. This is the first time the school has taken part in this event and it was great to have the children competing against other schools from within the city. The event included a range of running events, including hurdles, relays and required the children to spring off end boards to change direction. In addition, the children completed jumping, bouncing and throwing events. Following 2 hours of competition, all of the race results were calculated and I am pleased to say that they finished in Silver medal position, losing narrowly to Stepney school. Throughout the afternoon the children behaved superbly and were a credit to the

Valentines' Disco

I just wanted to confirm that the school will be holding a Valentines' Disco on Thursday 14th February. More information will be following during next week.

Movie Night

On Wednesday evening after school we will be holding our Movie Night within school. The film the children will be watching is Sherlock Gnomes. If your child would still like to come, tickets are available from the school office for £1. During the film, a selection of snacks will be on sale for the children so children may want to bring a small amount of money to enjoy these. The film should be finished by 4:30 and children should be collected from the school playground. Thank you.

Chinese New Year

To celebrate the Chinese New Year, next Tuesday the school cook will be serving up a selection of Chinese dishes for the children to enjoy. This is an excellent opportunity for some children to try new flavours and recipes and I hope that as many of them as possible choose to stay hot dinners.

Tue 5th Feb Parent Pop-in morning

Wed 6th Feb Parent Pop in Morning

Wed 6th Feb Movie Night

Thur 7th Feb SATS meeting for Year 6 parents 2:30p.m.

Wed 13th Feb Class 4 Assembly

Thur 14th Feb Valentines' Disco

Fri 15th Feb End of Half Term
