February Newsletter—Week 4

Upcoming dates

5th March

Y1/2 & Y5/6 Aspire visits

7th March

Mother's Day Lunch F1/F2

Year 6 SATS meeting for parents

World Book Day

We have had a really busy first week back in school with lots of activities taking place and everyone working very positively. As a school we are working really hard on arithmetic skills at present, to improve the children's mental recall of number facts, times tables and mental calculations. Any help you can give by practising these areas at home would be great. Miss Northen, the Maths lead within school, will be sending home some fun ways these areas can be practiced in the next week too. We hope that this area of learning will really help the children and believe all children will have greater success if we can master these key skills.

Mr Raw, Head of School

Year 5 Footballers

On Thursday night the Year 5 Boys football team took part in the finals of the Hull Schools' 5 a side.

The team had done exceptionally well to qualify, and found going tough on the night, playing sides with greater experience and also much larger schools than ours. Mr Boyton was extremely proud of the boys who did not stop trying and will have learnt a lot about how to respond when things don't always go your way. Building this type of resilience is really important, and I'm sure this is a team who will respond very quickly. Well done.

Stoneferry Corridor Consultation

On Tuesday next week from 3 p.m. until 7 p.m. the school will be open for a consultation with the council on the proposed changes to redevelop Stoneferry Road. Representatives will be in the hall to answer questions as required. A flyer has been sent home with your child giving additional details.

World Book Day

We are all looking forward to seeing what the children will be wearing next Thursday. The day promises to be a great one. With lots of fun activities planned.

Mother's Day Lunch

As a school we will be trying to tweet more information about what is happening in classes each day. Please follow us on @StoneferryPS, or follow the news feed on the website. Thank you.

A Visit from Jenny Tong

On Monday the children had a surprise visit from Jenny Tong. Jenny was delighted to come back to school for a visit and is very proud to be linked with the school. During her morning, she delivered a fantastic assembly which discussed some of her latest challenges and competitive successes and the children listened intently to every word she said. Following the assembly, Jenny then visited all of the classes in school to answer questions about healthy lifestyles and the kinds of ways she ensures she maintains a healthy diet which allows her to train and compete. She has also promised to visit us soon.

Mother's Day Lunch

Next week sees our first Mother's Day lunch take place for mums in F1 and F2. We hope to see lots of you in school to enjoy your lunch with the children and hope you enjoy the experience. If you need more information, please contact the school office. Thank you.

Aspire Gym Visits

Just a reminder that on Tuesday next week, Year 1 and 2, then Year 5 and 6 will be visiting Aspire Gym to take part in their P.E. session. This is a great opportunity which has proven very popular in the past. Please could the children ensure they have the correct indoor P.E. kit of white or red plain T-shirt, and black or red shorts for the visit. Year 5 and 6 will also need a packed lunch for the visit which they will eat at Aspire before they begin their session.
