

# Stoneferry Primary School May Newsletter—Week 2

- Upcoming dates**
- 13th-16th May
  - Y6 SATS tests
  - 20th May
  - Y5&6 Trip to Ganinsborough Hall
  - 22nd May
  - Year 3 Class Assembly

Finally, it appears that the weather has turned after a difficult week of rain and wind. The children have shown excellent maturity this week dealing with the wet playtimes, and hopefully now we should see some improvement as summer sets in.

Next week, the children in Year 6 will be sitting their SATS tests along with all of the other Year 6 children in the country. All the children have worked incredibly hard this year and I wish them all the very best of luck. I am sure there will be a few nerves, however, all we ask is that each child gives their very best efforts and shows the belief and resilience we know they have.

This week I have chosen to share with you some of the amazing topic work that each class are creating. The books are looking fantastic!

*Mr Raw, Head of School*

## Year 1 & 2—By the Seaside

Year 1 and 2 have started learning all about the seaside. In this spread they looked at buying items from lists, wrote post cards using super sentences which described a trip to the seaside and have described items found at the seaside too. The beautiful art work of a lighthouse was created using wax crayons. Some children have also completed our Stoneferry Stretcher to test their knowledge even further!. Well done to the children as the work looks superb!

## Year 3 & 4 the Ruthless Romans

Year 3 and 4 have been learning about the Roman Empire. they have constructed a superb timeline of the events through this period in history and also used their map skills to locate key cities, rivers and seas in Italy. They have also used their descriptive writing skills to produce some amazing writing, telling people about the atmosphere and sights of Rome, the country's capital city. The Stoneferry Stretcher has also made the children really think about how such a country could expand its territory so far.

## Year 5 & 6—Terrible Tudors

In Year 5 and 6, the children have been learning about the War of the Roses. Some superb writing has taken place and some excellent work has taken place to understand the different viewpoints of people involved at the time. The presentation and quality of work is fantastic and all the children are very excited about the topic. Next week they visit Gainsborough Hall which will give them an excellent insight into life in these times.
