Upcoming dates

20th May

Y5&6 Trip to Gainsborough Hall

22nd May

Year 3 Class Assembly

24th May

Close for Half Term

Finally, the good weather has arrived and it's great to see the children outside enjoying the sunshine. Please can you send your child with sun-cream if they need it so that they can apply it during the warm lughtimes we have been experiencing this week. Also please ensure that children have a water bottle in school each day, filled with fresh water. This really helps with concentration within the classroom.

This week has been a very tough one for our Year 6 children who have completed their SATS tests. All across the country children finishing Year 6 have taken these tests, and I can say that I was very proud of the efforts of the children during the week. They have applied themselves really well and have also worked so hard throughout the year. Now the children will have to wait until the tests are sent away and marked, but they will be getting stuck into their topic work, " The Terrible Tudors" from tomorrow.

Mr Raw, Head of School

Special School Dinner

It was great to see so many children staying for a school dinner on Thursday this week. The picnic format proved very popular with the children who ate well and enjoyed the special occasion. Everybody won a prize on the day and this has had a big impact on Star token totals and House point totals for the week. Hopefully, based on the success of this day, more children will choose to stay school dinners in the future. If you would like more details of the meals on offer, please refer to the school website, where the menus can be found under Lunch Menus in the Parents section.

Gainsborough Hall Here We Come

On Monday, the children of Year 5 and 6 are heading to Gainsborough Hall for an exciting day learning about life in Tudor times. All the children are really excited for what promises to be an excellent trip and an excellent opportunity to step back in time, to walk where Henry VIII himself once walked.

Please can I remind you that the coach will be leaving at 8:30 a.m. and returning at 4:00 p.m. We will inform you via the texting service if there is any change in the return time during the day.

Class 3 Assembly

Just a quick reminder that next week it is Year 3's turn to perform their class assembly. All parents of children in Year 3 are welcome to come and share the occasion with the children and the rest of the school. Class assemblies are an excellent opportunity for children to develop their self confidence and I hope that as many parents as possible are able to join us on Wednesday at 9 a.m.

Year 1,2, and 3 Cricket Club

On a Wednesday after school, Pelican Park are providing a cricket club for children in Year 1,2 and 3. Up to now the number of children attending has been lower than expected. If your child would like to come along and take part, then there are plenty of spaces. They don't need to have played cricket before and will have a great time learning a new skill. Please contact the office if your child would like to start from next week.
