Movie night tickets on sale from the school office for £1

Stoneferry Primary School

September Newsletter—Week 4

Upcoming dates

2nd Oct - Movie Night

7th Oct - Harvest Festival

7th Oct - Diversity Week

Every week I write this newsletter, it seems like time seems to be moving faster and faster, however, I feel that is more down to all of the things which happen in a week at school. This week all of our clubs have now begun and it has been great to see so many children taking part in an after school or lunch time activity. This week we have welcomed Miss Tock to school and she has already made a big impression on the children and will be contacting parents soon, to inform you of a number of coffee mornings that she has organised, which we hope to see you at.

Enjoy the weekend.

Mr Raw, Head of School

Constellation Trust - A Night of a Thousand Stars Event

On Wednesday night I was lucky enough to be present at the first Constellation Trust, Night of a Thousand Stars event at the Bonus Arena in Hull. The event recognised the efforts from across all 7 of the Trust's primary schools and brought children from each school together for a really special night. As the event continues, we hope more and more children will experience the opportunity to take part. During the evening, along with the presentation of certificates the audience was treated to singing from the Trust choir, who sang two wonderful songs, a dance act from Sirius West Academy and also a spectacular performance from Oliver Twist involving dancing and acting. Credit to all of the children who took part in the event for their superb behaviour and a huge thank you to all parents who attended. From the parents I have been able to speak to, you really enjoyed the night and were incredibly proud of your children.

Diversity Week

During the week commencing 7th October, the children will be taking a break from their current topics to explore one of the biggest events in Hull's calendar—Hull Fair. The children will learn about Romani communities as well as the fair which has shaped this time of year for hundreds of years. All the classes will design and write about a new ride of their design as part of a school competition and we will be inviting parents in on Friday 11th October to read the children's work in the school hall. We really hope the children enjoy their work and reflect on how special the fair really is.

Class 5 Assembly

On Wednesday 9th October we will be holding our first class assembly of the year. The children will be presenting information about their current topic as well as singing, reading poetry and hopefully demonstrating what confident performers they are and building their self-esteem and confidence as a result. We hope to see as many parents from Year 5 there to enjoy the occasion.

Harvest Festival—Donations

This year we will be supporting Emmaus. This is a local organisation which work with homeless people to give them shelter and an opportunity to learn practical skills in the hope of rebuilding their lives. In order to do so they need the support of the community to provide: Tea, Coffee, Sugar, Cereals, Tuna, Tinned Pies, Tinned Tomatoes, Tinned Vegetables, Corned Beef, Beans, Spaghetti, Shampoo, Shower Gel and Deodorant. The charity organisers will deliver an assembly for the children and I hope we can forge a lasting relationship with them.

Reminders

In order to update our records and ensure we have the most up to date information on which to contact parents, we have this week sent all parents a letter asking for your most recent contact details.

If you have yet to do so, we would greatly appreciate it if these forms could be returned to the school office as soon as possible so that we can enter all of your information into our systems. Thank you
