## November Newsletter—Week 1

### Upcoming dates

- 15th November
- Children in Need
- 15th November
- Year 4 Swimming ends
- 19th November
- Flu Vaccinations

Finally, we arrived at Monday and the completion of our building work within school. We would also like to say a huge thank you to Houltons for all of their hard work and efforts in providing us with facilities that have already made a huge difference to the lives of the children in school this week. Our beautiful new classrooms and work spaces are amazing and to have all of our Key Stage 2 children together for the first time is such a great thing. In addition, over the holiday, huge changes were made to the appearance of the Foundation 2 area. A brand new floor and full change in decoration has created a wonderful environment for the children to explore and enjoy.

The staff and children are now working hard to produce work and displays to make each space in school even more inviting and to showcase the fine work that our children complete each day in school. Below are just a few pictures of the new spaces. **#spsvision**

*Mr Raw, Head of School*

### Football Success

On Tuesday night the Year 4 boys football team took part in the qualifying round of the Hull Schools 5 a side tournament at Goals. During the evening the boys played against 6 other teams in 8 minute matches and represented the school superbly. The side excelled in all areas with some superb goal keeping from Will and sharp shooting from Oliver and McAuley. They were also supported by the energy and hard work of Layton and Callum. Over the six games the boys won 4, drew 1 and lost one with the last kick of the game and have now qualified for the finals which will take place after Christmas. Great effort boys—you did the school proud. **#spsyear4 #spspe**

### Children in Need

Next Friday the school will support Children in Need within school. Children are invited to come to school in their pyjamas or comfy wear for a donation of £1 towards Children in Need. In addition, all children who donate £1 will receive a bun during morning break.

Children will complete activities prepared by the School Council during the day too. We hope to see as many children supporting the cause as possible. **#spsvision #spscommunity**

### PE Kits

Now that our P.E. sessions have moved indoors please could I ask that all children have their indoor P.E. kits for their P.E. sessions. School indoor P.E. kit is a plain white T-shirt and plain black shorts. All P.E. indoors will be done in bare feet therefore trainers are not required. Please could I also request that children's names are added to T-shirts and shorts to allow us to easily identify them when they go missing. Thank you.
