

# Stoneferry Primary School

## November Newsletter—Week 3

### Upcoming dates

November 29th

**Non-uniform day—**  
children to bring a pack  
of biscuits to be part of a  
tombola at the Christmas  
fair.

During this week, for one reason or another I have had the pleasure of spending more time than normal in the children's classrooms working with your brilliant children. At this stage of the year it is great to see that the Stoneferry Standard, that we talk about with the children so often, has really started to shine through.

On Thursday afternoon I also took two children from Year 5 to an International Primary Council meeting. At the meeting the children were discussing ways to reduce the amount of single use plastic our school uses and we will now be looking at ideas the children have to tackle this problem back in school. In addition, we discussed ways to support our local community and a number of ideas, including a whole school litter pick of the local area, were considered. Connecting with and supporting our community is something we as a school would like to do more of, so this will be a focus for our work in the coming weeks. **#spsvision #spscommunity**

*Mr Raw, Head of School*

### Class 6 Assembly

Just an early reminder that Wednesday 4th December will be our Year 6 class assembly. All parents from our Year 6 class are welcome. Following the assembly Miss Northen will also hold a SATS information meeting for parents. We hope to see as many parents as possible to watch the children perform and show off what they have been learning. The assembly will start at 8:55 a.m. **#spsvision**

### Starbooks Support

Mrs Sykes would really like to pass on her thanks to everyone who was able to come and join us for our second Starbooks session of the term. She was so pleased to see so many parents in the classrooms sharing books with the children and being a part of the school community. Thank you also for buying so many of the books we had on sale. The money made will go towards buying new books for the children to read. See you all again in December.

### A Battling Performance

On Tuesday night, on a bitterly cold evening, the girls Year 4,5 and 6 football team took part in this year's Hull Schools' 5 a side tournament at Goals.

The team draw was very unkind to us, which meant that the girls were placed in a group with Wold and Gillshill. These schools are far bigger than ours and the standard of the teams was very high. However, Mr Boyton was incredibly proud of the girls' efforts as they battled to do our school proud. On the night the girls scored some goals and although they did not win any of their games this was not through a lack of effort and determination. Attitudes were excellent and every girl who played did our school proud, playing with big smiles and a never say never attitude. Well done girls!

### December Nears

Although I can hardly believe it, December is nearly here. With so many events planned, I will be sending home a letter on Monday which will outline the key details for each of these.

Thank you also for all of your kind donations for the Christmas Fair. We are busy sorting items in school and would still welcome any donations that you may have. Thank you.

### It's a Boy

We would just like to send our congratulations to Mr Good and his wife who on Friday morning of last week welcomed Austin into their family. Mr Good informs us both mum and baby are doing well. Great news.
