December Newsletter—Week 2

Well what a week. This is always a special time of year in school and this year has been no exception. The children have been involved in a number of productions whilst also completing assessments in certain year groups and have coped fantastically.

We are not finished yet though and look forward to seeing as many children as possible at our Movie Night on Tuesday and also taking part in our sponsored Reindeer Run on Thursday morning.

Fabulous Foundation

Tuesday saw our Foundation children amaze their parents with their acting and singing skills. It was great to see such support for each performance and I hope that you all had a great time watching your children. The children were so brave in performing on a stage and it will be great to see how they now grow in confidence as they progress through the school. **#spseyfs**

Breakfast With Santa

Thank you for all of the parents that attended this very popular event. There was such a special atmosphere in the hall as the children waited in anticipation of the arrival of Father Christmas and when he finally arrived it was great to see the children so excited to see him. Let's hope they all keep their promise of being well-behaved now all the way up to Christmas! **#spsvision #spscommunity**

StarBooks

Thanks once again to all the parents who joined us for our final Starbooks of the term. Mrs Sykes informs me that the draw for prizes will take place next week and we will let you know if you are a winner.

Following the success of this idea this year we will be running further sessions in the new year and hope to see you there. **#spsvision #spscommunity**

Year 1 and 2 Nativity Wows

The Year 1 and 2 children performed a wonderful Christmas nativity to another packed out hall on Thursday afternoon. The singing in particular was absolutely brilliant and great credit must go to the children for their confidence and enthusiasm. Every single child did an amazing job in putting on one of the best KS1 performances I have seen. Thank you so much to all parents who have contributed costumes and practised lines. The children really did you proud.

Christmas Crafts

A fun crafting session took place on Thursday after school. Miss Tock and I had a great time working with the children to produce a number of items they could take home and enjoy. I hope all the children had a lovely time. **#spsd&t**

Thank you for the support

All the staff at Stoneferry would just like to say a huge thank you for all of your support at our Christmas fair. Your kind donations and attendance helped us raise a little over £1100! This money will be used to subsidise trips and provide additional opportunities for the children and really does make a difference. Thank you. **#spsvision #spscommunity**
