## February Newsletter—Week 1

2020

2020

It's the end of another busy week in school and lots of super work and learning has taken place. This week I have been particularly impressed with the writing across school. Children in all year groups and especially Year 6 are showing their love of writing, and the presentation and content of what is being written is particularly impressive. In addition in many classes there has been some super art work going on too. The theme across each class is collage and the work produced by Year 4 on our Parent Pop-in day was superb.

Next week is our last week of term and we break up for half-term on Friday with the children returning to school on Monday 24th February. Enjoy the weekend and take care in the weather which we are expecting on Sunday.

*Mr Raw, Head of School*

### **Upcoming dates**

**11th Feb—Safer Internet Day—more info below**

**12th Feb—School Disco (tickets available from the main office)**

**13th Feb -Coffee Morning Starbooks from 2:20 p.m.**

**14th Feb -End of Half term**

**24th Feb—Return to school**

### **Safer Internet Day 11th February**

On Tuesday, we will be discussing in school ways of keeping safe on the internet. Internet safety as I'm sure you'll be aware is an ever increasing concern for parents, especially with the use of gadgets and tablets amongst our children. To support parents, from 2:20 p.m. Mr Boyton, the school's ICT lead will be holding a meeting in the hall to share current information that schools have and to pass on areas that may be relevant to you at home. We hope that this will enable you to be confident in the websites and apps that the children are using in their spare time. **#spsvision #spscommunity**

### **Well done Year 4**

Congratulations to Year 4 for their successful assembly on Wednesday. I apologise for not being able to attend personally, but Mr Good who introduced it informed me that the children had really tried hard and presented a great deal of information. Each time the children do things like this it builds their confidence and when I have spoken to members of the class this week they have told me that it was the favourite thing they have done this week. **#spsyear4**

### **Parent Pop-in**

Monday was our first pop-in afternoon of the term. The idea of these sessions is to allow you to have a better insight into the work the children do in school and to enjoy taking part in your children's learning. Feedback received has been very positive and we look forward to seeing you again on March 16th for our next one. **#spsvision #spscommunity**

### **Coffee Morning and Starbooks**

On Thursday Miss Tock will be holding a coffee morning. Please pop along for a drink and a chat from 9 a.m.

Also in the afternoon from 2:20 p.m. we will be holding our final Starbooks event of the half term, with drinks in the hall then a stay and read session. **#spsvision #spscommunity**

### **Next Week**

On Wednesday and Thursday next week, F2, Year 1 and Year 2 will be visiting the Fire Service. In addition to this, on Thursday morning a member of the Fire Service will be coming into school to deliver an assembly to the children. This is to talk about how you might become a member of the Fire Service in the future and the type of work they do. Hopefully, this can inspire the children into a future career. **#spsvision #spscommunity**
