February Newsletter—Week 2

2020

2020

How quickly the term has gone by, and all the children are thoroughly ready for a week's holiday to recharge their batteries. This has been an extremely busy half term and everyone in school has worked really hard. The school environment is improving all the time and there are now lots of super displays to support the children's learning. Additionally in the children's books, I am seeing lots of super work which the children should be proud of. Improvements in reading have really been seen and I thank you for all of your support with hearing your children read at home as often as you can. Over the holidays if they finish their school book the children are fine to read a book from home and still add this to their reading journal to count towards their class percentage. Enjoy the holiday and see you in a

Mr Raw, Head of School

Upcoming dates

24th Feb—Return to school

26th Feb—Year 4 Boys Football finals

27th Feb—Year 1/2 Visit to Aspire Gym

3rd Mar -Year 5/6 Visit to Aspire Gym

**5th Mar -World Book Day
Year 3/4 Aspire visit**

Safer Internet Day 11th February

If you were able to attend Mr Boyton's information session on Tuesday, I hope you found this helpful and that Mr Boyton was able to pass on some useful information. Should you have any concerns or wish to talk about internet safety in the future please feel free to let us know and we will do all we can to help.

Well done Jacob

Congratulations to Jacob in Year 6 who took part on Thursday in the Hull Schools Table Tennis competition. He represented the school very well against some strong opposition and did us all proud. Jacob plays in his spare time but also is a member of our club on a Friday lunchtime. Well done. **#spsyear6 #spspe**

Foundation 2 visit the Fire Station

On Wednesday the children in Foundation 2 along with a large group of staff and volunteers headed to the fire station on Clough Road. This was a visit linked to their topic, "People Who Help Us" but also fits really well with our aim to demonstrate some of the jobs on offer to the children when they grow up in their local community. During the visit the children got to see the fire engines, firefighters and even had the opportunity to fire the hoses. Speaking to the children who attended, everyone had a fantastic time and the staff at the fire station commented on the excellent behaviour of our children.

Yesterday should have been the turn of Year 1 and 2, but sadly we felt the need to postpone this trip as the weather was forecast to be terrible. As is always the case though it turned out lovely. Don't worry though Year 1 & 2 we will be organising you another trip when we get back.

P.E. After Half Term

When we return after half term, the children will be all having their P.E. slots **outdoors** (with the exception of Foundation 2). Please could I ask that the children come with a suitable kit including a tracksuit and trainers. If the weather is particularly cold hats are fine too **#spspe**

Starbooks

Thanks to everyone who was able to attend our last Starbooks of the half term. It was great to see so many people in school reading with the children. Your support is very welcome and the children really enjoy the opportunity to be with their parents in school.

The new dates for the next half term will be announced when we return.
