Some children have slightly different usernames, and will receive a text message containing this information.

Once you have logged in

- Please select the correct reading planet for your child's key stage.
- You will then see a huge list of titles. The first half are quizzes so you will need to continue to scroll down to the second half which contains books to read. It gives an image of the front cover, title and the band/level in brackets.
- To the right hand side are two buttons: open and finished. Click "open" to start reading.
- When finished, they can then choose to find the book title in the quizzes at the top and press the "take quiz" button.

The main page has an orange ? (help button) in the top right hand should parents need any help.
