

Stoneferry Primary School

Spelling for Years 1-6

Summer Term Week Two (27th April)

Spelling across the school is taught through Rising Stars which follows the spelling rules set out in the National Curriculum.

This pack contains the spelling rules for all year groups for the next week along with ideas and templates for activities. In addition to this, common exception words for all phases are listed at the bottom. Children should be able to read and spell most of these by the end of each phase.

Packs will be updated weekly and added to the school website.

Suggested activities:

- Look, cover, write, check grids.
- Find the meaning of each word (younger children could draw an image to show what the word means).
- Picture match - have a picture to represent each word and ask the child to match it to the correct word.
- Write each word in a sentence.
- Be the teacher - an adult writes a paragraph containing focus words (some spelled correctly, others spelled incorrectly) and ask the child to spot the mistakes.

Twinkl is currently offering free resources and has plenty of worksheets for each rule.
