Model Text: I want you to go and interview your grandma or grandad and ask what watching sport was like when they were younger. Here are some questions you could ask:

- 1. What sports did you watch when you were younger?*
- 2. How did you watch sport as a child?*
- 3. What were your favourite memories?*
- 4. What were your favourite sports?*

5.

Who were your favourite sportsmen/women?

Science: This week's task is an interesting one. I would like you to go on a search for different trees and plants in your local area. Name them (if you know what they are) and describe them.

Finding Fabulous Trees and Plants

Write down 4 interesting things you noticed whilst going on your search:
