

9<sup>th</sup> July

Dear Parent

Unfortunately, due to the current situation, we are unable to hold our usual transition days as we normally would this year.

However, with the recent government announcement regarding all children returning to school in September, this letter will inform you of which teachers will be teaching which year groups next year.

Should you have any questions or would like to discuss the arrangements, please do not hesitate to contact us.

Foundation 1 – Mr Austin  
Foundation 2 – Mrs Stephenson

Year 1 – Mr Good  
Year 2 – Mrs Sykes  
Year 3 – Miss Lancaster  
Year 4 – Mr Boyton  
Year 5 – Miss Northen  
Year 6 – Miss Brady

All the teachers are really looking forward to welcoming back the children in September and can't wait to be teaching them once again.

I will send further details on arrangements for the start and end of the school day next week.

Thank you

Yours sincerely

Mr J. Raw
