SUMMARY	<p>This theme will begin with the children thinking about what makes them special. The children in F1 will be focusing on British values through discussions such as their families, who we live with and how can we look after each other? We will support this through a variety of stories. We will focus on our 'Magical bodies'; counting our fingers and toes and learning the song and actions to 'Heads Shoulders Knees and Toes'.</p> <p>The children in F2 will be talking about their families, emotions and character. They will be talking about the city they live in and what big events happen there. They will be testing out their senses and discovering the jobs of their body parts. Towards the end of the half term the children will be looking at their own and others beliefs.</p>	<p>The theme will begin with a theme day where the children can choose to dress up as their favourite nursery/traditional tale character. The children will read a range of nursery tales and traditional tales and use talk for writing and stories for talking to retell and rewrite stories. The children will have the opportunity to watch a performance by a visiting theatre company.</p> <p>The children will use drama techniques to act out the stories to find out if the characters live happily ever after.</p> <p>The children in F1 will use puppets and musical instruments to help them perform their Christmas songs.</p> <p>The children in F2 will use these acting and performance skills to perform a Christmas concert.</p>	<p>The theme will begin with a theme day where the children can choose some one they think helps them in our community and dress up like them for the day. The children will look at the clothes that different jobs need to wear and the reasons for that, they will look at what type of of qualities you need to have for that job.</p> <p>We will have visitors and visit various services in the community, the children will discover which vehicles are used by each service and why. The children will have the opportunity to role play inside and out. Each week the childrens activities will be inspired by fiction and non-fiction books linked to people who help us</p> <p>The children in F1 will look at how people help them in the community. The children in F2 will look at how the services help others in our community.</p>	<p>The children in F1 will be kick starting with mask making: the children will have the opportunity to make a mask of an animal of their choice, bears lions and tigers are always a favourite! Our key text will be 'We're Going on a Bear Hunt' and the children will enjoy learning the story through using visual actions. The children will learn about the habitats of each animals. They will have many opportunities to reenact the story and go on their very own bear hunt.</p> <p>The children in F2 will begin the theme by making space vehicles for a half term homework challenge.</p> <p>The children will be investigating space through science, technology and the maths. They will be designing aliens and pants! The children will be comparing Fiction and Non Fiction texts and making their own fact files.</p> <p>This will lead to an environmental link to saving our planet.</p>	<p>The theme will begin with a theme day where the children can choose which bug they would like to be for the day.</p> <p>The children in F1 will be using the theme of minibeasts to encourage them to look after insects and animals. They will be creating minibeast artwork, hunting for minibeast in the garden and using a tally chart to record what they have found. They will enjoy a range of books and use stories for talking strategies to help them to retell them.</p> <p>The children in F2 will be observing the changes that occur to both tadpoles and caterpillars. They will be comparing and contrasting that to other lifecycles in our environment. The children will have the opportunity through trips and visits to see these life cycles in their natural process.</p>	<p>The children in F1 will be learning about various farmyard animals. They will be looking at what jobs farmer have to do and have the opportunity to taste the produce that they grow.</p> <p>The children in F2 will be investigating the growth of different plants through non-fiction and fictional texts. They will be experimenting with seeds to see what happens to plants in various conditions. They will find out how some plants are edible and that we can use them in our recipes.</p>
HOOK IN DAY	Family Network Day	Dress up as a fairy tale character and bring in favourite tales	Dress up as someone who helps you	F1 - Bring in Photos of holidays or a trip F2 - Bring in either a space shape, Alien or Planet	Dress up as favourite bug	F1 - Bring in books about farm animals F2 - Bring in books about growing things/Grow something over the half term as homework
OUTCOME	Christmas songs, fayre and concert		F1 - People who help us catwalk with gallery of artwork F2 - Presentation of facts and paintings	F1- Design and make a postcard F2 - From Space	Bug related songs in the community	Garden Party
ENRICHMENT	Hobgoblin Theatre Company perform Little Red Riding Hood/ Hull New Theatre <i>(to be confirmed)</i>		F1- Postman/office, Dentist, Vets F2- Fire station visit, Police drop in activity, Ambulance/Nurse <i>(to be confirmed)</i>	Explorer talk - Actor or real person <i>(to be confirmed)</i>	Bugtopia/Hornsea Beach Eastpark Zoolab Plunge boom - microscopic animal enthusiasts <i>(to be confirmed)</i>	Honey Suckle Farm/Andrew Marvel/Tweedykes farm Farm shop Garden Centre <i>(to be confirmed)</i>
Keep Safe	Fire safety- Bonfires, fireworks etc Internet safety School rules Road Safety - walking to school Personal Safety - Stranger Danger Personal Safety - Bullying		Road safety Healthy Living Emergency services	Stranger danger Travel safety	Pond and Water Safety Washing hands Travel safety	Sun safety Keeping safe from chemicals Keeping safe with animals Travel safety
Excellence & Enjoyment	F1/F2 -Parents Community Event & Parents in Bug Club - story telling focus		F1 - To send a letter to their home address F2 - To make emergency vehicles with parents	F1 - To complete a treasure trail F2 - To make Rockets with parents	F1 - Design favourite bug tshirt F2 - To make life cycle on coat hangers with	F1 - To make farm animal masks F2 - To make bottle gardens with parents
ENTERPRISE	Sell reindeer dust and various Christmas goods at the Christmas fayre		Sell pictures of children dressed up.	Sell Mother's Day Gifts and character tea towels	Sell Cress heads/Seed packets at the summer fayre/Bug face painting	Sell juice/plants and bug biscuits at the garden party
Parent Workshop	Phonics/Writing/Handwriting/Maths - to be confirmed		Phonics/Writing/Handwriting/Maths - to be confirmed		Phonics/Writing/Handwriting/Maths -to be confirmed
