

Year 2 Home Learning Week Commencing 12th October

The following work has been set for any Year 2 child who may be self-isolating during this week. Please complete the activities in your Home Learning book and return this to school when your period of isolation is complete. Thank you.

Maths	Please see the maths links provided for our present unit of work. Each lesson has a video that will explain what work is being completed on each day and an exercise to complete. The school office will inform you which lesson you should start from.
Reading	A non-fiction text has been provided along with questions that we would like your child to complete. In addition, please try to read as often as you can and complete your reading journal. Reading Rocket stickers will be awarded on return to school.
Writing	This week we will base our writing on an African story. Use lessons from the Oak Academy to support this at home. https://teachers.thenational.academy/units/awongalema-description-3713
SPaG	Spot the missing capital letters and full stops. Write adjectives to describe things from the story.
Foundation subjects	An activity has been provided which the children will be completing in class. Additionally your child may wish to complete research on Africa's climate.

If you require any support during this time, please contact the school office and guidance will be provided.

Place Value → Addition and subtraction

Lesson	Video Link	Worksheet
Monday PV assessment	n/a	https://resources.whiterosemaths.com/wp-content/uploads/2019/12/Y1-Spring-Block-2-WO8-Count-in-2s-2019.pdf
