

Year 3 Home Learning Week Commencing 5th October

The following work has been set for any Year 3 child who may be self-isolating during this week. Please complete the activities in your Home Learning book and return this to school when your period of isolation is complete. Thank you.

Maths	<p>Please see the Maths links provided for our present Unit of work. Each lesson has a video that will explain what work is being completed on each day and an exercise to complete.</p> <p>The school office will inform you which lesson you should start from.</p>
Reading	<p>A non-fiction text has been provided along with questions that we would like your child to complete. In addition, please try to read as often as you can and complete your reading journal. Reading Rocket stickers will be awarded on return to school.</p>
Writing	<p>In class this week we will be writing a setting description about the opening of Stone Age Boy. Please use the following link</p> <p>https://teachers.thenational.academy/units/the-bfg-narrative-writing-8e62</p> <p>which will take you to a range of support lessons that you will be able to access. Also, there is the story on youtube to access the structure of the opening of book. Using these lessons and your child's knowledge we would like you to write your own opening – describing walking through the woods, cave and entering the Stone Age.</p>
SPAG	<p>2 exercises have been provided which will compliment the genre of writing your child will be completing.</p>
Foundation Subjects	<p>An activity has been provided which the children will be completing in class.</p> <p>Additionally your child may wish to complete research on Life in the Stone Age.</p>

If you require any support during this time, please contact the school office and guidance will be provided.
