

Year 1 Home Learning Timetable - w/c Monday 9th November 2020

Your teacher will contact you during the week to check on how you are getting on. Please complete all tasks in your home learning book and return to school when complete. Please ensure you put a date on each piece of work you complete. Only answers are needed in your home learning book so do not worry about printing resources.

For Maths: Please call the school office who will advise you which Maths lesson to begin on. There is a lesson provided for each day, however, you may wish to repeat a lesson if you want further practice.
