

Year 2 Home Learning Timetable - w/c Monday 23rd November 2020

Your teacher will contact you during the week to check on how you are getting on. Please complete all tasks in your home learning book and return them to school when complete. Please ensure you put a date on each piece of work you complete. Only answers are needed in your home learning book so do not worry about printing resources if you don't have access to a printer.

For Maths, please see the overview sheet for links. There is a lesson provided for each day, however, you may wish to repeat lessons if you want further practice.
