

Y5 Spellings

Round four: -tial or -cial? My friend enjoys martial arts. He competed in a special event last week at the social club in town. There was a substantial prize for the winner. I nearly didn't go because of the torrential rain, but I'm glad I did. He won, and is now the official martial arts champion for the county

Weekly tasks:

Session one: spelling rule

Session two: definitions

Session three: sentences

Session four: dictated sentences

Friday: TEST
