RE: Parents' Evening Spring Term

Dear parent/carers,

At present the government has stated that from 8th March it hopes that children will begin to return to school. However, as we have seen this term, nothing is certain at present. We do hope that this is the case and cannot wait to have all the children back as normal once again.

Normally, during the Spring term, we would have a Parents' Evening to discuss progress and take a look at work in books. However this again has not been possible.

Our plan is to hold a Parents' Evening shortly after the Easter break. Once the children have returned, hopefully before Easter, following a short period of settling back in we will be assessing the children, and using this information we will be able to discuss with you, more than likely over the phone, how your child is progressing and answer any questions you may have. More details of how this will work will follow once we have a clearer picture of how the children will return.

In the meantime, if you wish to talk to me or your child's teacher regarding any concerns you may have please do not hesitate to contact us and we will be happy to discuss this with you.

Yours sincerely,
219New
