

26th May 2021

Dear Parents

Planned Activities for our Year 6 Children

Following discussions with lots of parents lately, I am writing to let you and the children know which activities we have provisionally booked for them as they come to the end of their time at Stoneferry Primary.

Should the Prime Minister change the current restrictions, then this may impact on these events, but we feel confident that we will be able to go ahead and book them at this point.

Wednesday 7th July

An Outdoor Experience – we have organised for our Mindfulness Teacher to run an outdoors day for the children in the area around Eppleworth Woods in Cottingham. Miss Newlove is a qualified outdoors instructor and will lead the day, with support from school staff. During the day, the children will enjoy 2 yoga sessions, mindfulness discussions, team building activities, a walk through the countryside and more. Further details will follow nearer the date.

Monday 19th July

We have booked for the children to enjoy a session of Footgolf at National Avenue in Hull.

Wednesday 21st July

We have booked for the children to go bowling and have lunch too.

Thursday 22nd July

We will be holding a disco and prom event after school for the children to attend. Children will have the opportunity to have photographs taken and a CD will be available for children to keep. Food will also be provided for the children to enjoy.

At present we are not permitted to run assemblies indoors. However, we have decided to wait to see if we will be able to hold a special leavers' assembly for parents to attend. The school expects new guidelines to be made available soon and once we know what these involve, we will let you know our plans. For certain though if we are not allowed to welcome you into school, we will create a digital assembly, which will be shared via Teams. Fingers crossed for option 1.

In addition, more information on signing shirts will be shared when we have more information.

Head of School: Mr J Raw

All of the activities will be provided by the school and will be free of charge. We do recognise how difficult the last year has been for the children and really want to make their last term one to remember.

Should you have any questions relating to any of these activities, please do not hesitate to get in touch.

Yours sincerely

Mr J. Raw
