

The Hard Work is Paying Off

As June has moved into July it is hard to believe that we are nearly coming to the end of what has been a very difficult year. At present I and all schools are waiting on guidance as to how schools will operate next year regarding opening times, staggered times, bubbles etc, but as soon as I know I will pass this information onto you.

This week in school we have been assessing the children and the impact of all of the intervention we have put in place for the children since our return. Data looks really promising which is a testament to all of the hard work that the children have completed in class, after school and at home. I am really proud of the children.

On top of this our Year 6 children have been completing their Bikeability course, and have really impressed the coaches with their attitudes and sensible listening skills.

Everyone now needs to continue to work hard and finish the term strongly.

Sports Days

Next week, we will be holding our Sports Events in school.

Y5,6 and Foundation Stage—Tuesday 6th July

Year 3 and 4 - Wednesday 7th July

Year 1 and 2—Thursday 8th July

Please can children come in PE kit for their day which will be led by our friends at Pelican Park.

PLEASE NOTE THAT TENNIS SESSIONS WILL BE CANCELLED FOR THIS WEEK.

Stand out moments

There are so many children doing so many great things in school. Here are some more children who have caught my eye this week: In F1 Penny wowed me with her Phonics knowledge, in F2 Floss' bottle flower holder was great, in Y1 Marnie's smile and wonderful hair were great, in Y2 Tilly's determination in her reading test was fabulous, in Y3 Billy's approach to his tests has been incredible, in Y4 Angel's arithmetic skills have stood out, in Y5 Helan's reading has stood out, and in Y6 Jasmine's and Sofia's catching skills caught my eye. Well done everyone!

Scarecrows Success

All the staff at school would just like to say a huge thank you to everyone who took part in our first ever Scarecrow Festival at the weekend. Thank you to the members of the PTA for all of their hard work in organising the event and also for the amazing efforts to create scarecrows for the weekend. As I walked around the community with my own family it was great to see so many families out enjoying the event and to see the enthusiasm on show. We also had a number of people attend who don't attend Stoneferry which was great to see.

We are hoping to make this an annual event and will look to improve further on what has been achieved this year too.

Mr Raw, Head of School

Thank you Mr Bacon

Sadly, today is Mr Bacon's last day at the school. Mr Bacon has been working at the school throughout the year as he has been training to become a qualified teacher. During the year he has worked closely with the children in Year 2 and also other children across KS1, supporting them in their learning journey.

I would like to thank Mr Bacon for everything he has done and all of his hard work. He has become a great teacher and will certainly continue to provide excellent support to children across the city as he continues in his career.

We hope that he will come back and visit us soon and I am sure that all of the children in Year 2 especially will really miss him. Thank you and good luck.

Geography Competition

Just a quick reminder that entries to the Geography competition should be handed in to class teachers on or before the 16th July for judging. I am really looking forward to seeing what the children come up with as ideas for the future!

If children need paper to complete the work please can they ask their class teacher who will be happy to provide this.

Star Performers

This week's star performers are a pupil and a teacher from our school. Well done.

On Tuesday morning Emily from Year 2 brought me a selection of medals and rosettes that she has won and been awarded through her dance lessons.

She joined her dance academy when she was 5 and she currently takes classes in ballet, tap, modern and Musical Theatre and is starting Acro in September also.

Before COVID hit she was able to take a number of exams in ballet and modern and is currently working towards a few more. Emily enjoys taking the exams and taking part in the academy's shows.

Well done Emily, I can't believe how many different styles you are able to do and you clearly enjoy every one of them. I am sure that you will be receiving many more awards as you continue to learn too.

Hardwolds 40

Miss Northen

A special mention this week must also go to Miss Northen who last weekend completed the Hardwolds 40 race.

Changes to the race course and also a detour to support a close friend meant that Miss Northen eventually completed 50 miles of running. She did this in an incredible 10 hours and 57 minutes and loved every minute of it.

On Monday she delivered an inspirational assembly to the children where she discussed the struggles she had to go through but how she overcame these to complete her challenge.

As a result of her incredible efforts she has raised hundreds of pounds both for the school and her chosen charity and I am sure you would agree she is truly a superstar.
