

19th November 2021

Dear Parent

I am writing to inform you of a few date changes that we have had to move around due to different circumstances at the end of term.

Party Day

Originally, this was on our term dates as the 15th December. All parties will now be on **Monday 13th December**. Further information will be sent regarding parties in due course.

Christmas Disco

We have had to move the Christmas disco from Wednesday 15th December to **Tuesday 14th December**. Further information regarding tickets will be sent in due course.

Breakfast with Santa

We have unfortunately had to cancel this event this year. It had been scheduled for Thursday 16th December. However, we have managed to talk Santa into visiting the school on **Thursday 9th December** in the morning. All children from Key Stage 1 and EYFS will have the chance to meet Santa, listen to some stories by the Christmas tree and have their photo taken. Being such a busy man we felt it unfair to ask him to visit the school twice in a week. This way also, every child will have the chance to meet Santa.

Training Day

On Friday the 17th December, the school has been asked by the Trust to have an additional training day. For this reason, the children's last day of school will be **Thursday 16th December**.

If you have any questions regarding these arrangements, please don't hesitate to get in touch.

Yours sincerely

Mr. J. Raw
