

Review and tailor the contents of this generic risk assessment to meet your school's individual circumstance. Actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the 'What further action is necessary?' column. You may also want to add specific actions relating to your school in this column. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.

RISK ASSESSMENT FOR: Start of Academic term September 2021		
Establishment: Stoneferry Primary	Assessment by: J.Raw	Date: 8.8.21 Reviewed 8.9.21, 8.10.21, 8.11.21 Reviewed and amended 29.11.21

Due to the emergence of the Omicron Variant and new guidance to schools on 27.11.21 additional measures have been reimposed in schools and communicated to staff

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>Existing measure in place to:</p> <p>Minimise contact between individuals and maintain social distancing wherever possible.</p>	<p>Staff, pupils</p> <p>Exposure to virus through coughing, sneezing, physical contact</p> <p>The risk of spreading the virus more widely if larger groups of pupils come into contact with each other.</p>	<ul style="list-style-type: none"> Class bubbles will no longer exist. Assemblies, communal gatherings and mixing of classes will commence. Should a sustained outbreak of 5 positive cases within a class the school will follow the following Outbreak Management Plan: <ul style="list-style-type: none"> PHE will be contacted for guidance and advice which may involve an Enhanced Response Package NHS test and trace may request information from the school regarding close contacts Face coverings for staff and parents in communal areas may be reintroduced for a fixed period of time. For a fixed period of time "bubbles" may be reintroduced to combat an outbreak but this will be on advice of PHE and will not 	<p>Communicate this information clearly with parents and staff – letter for parents.</p>	<p>JR</p> <p>JR/LN</p> <p>JR/PH</p>	<p>Sept 2021</p> <p>As required</p> <p>Sept 2021</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>be a school decision in the first instance.</p> <ul style="list-style-type: none"> • Desks may be positioned so that pupils are all facing forwards where possible. Children may change seats however. • Staggered start and end times will cease and the normal school times will be reintroduced. The one way system will continue to be in place. Playtimes and lunch times will be separated into key stages. • School meals will be eaten in the school hall. There will be 3 sittings: EYFS 11:30, KS1&Y3 12:00, KS2 12:20 • Appropriate signage regarding good hygiene will remain in place 	<p>Existing signage will remain in place and children returning to school will have this explained to them. All classrooms will also have additional signage if they have not been in use.</p>	JR/PH	By Sept 21	
<p>Existing measure in place to:</p> <p>Maintain social distancing with staff</p>	<p>Staff, pupils</p> <p>Exposure to virus through coughing, sneezing, physical contact, shared equipment or resources</p>	<ul style="list-style-type: none"> • From July 18th 2021 social distancing measures have been removed and there will no longer be a requirement for this. • Staff can operate across different bubbles and if double vaccinated will not be required to self isolate unless contacted by NHS test and trace. • Pupils no longer need to self isolate. If contacted by NHS Test and Trace as a close contact they will be advised to take a PCR test and if this is positive children will self isolate as required. 	<p>Discuss with staff</p> <p>Establish staff who have not been double vaccinated (seek guidance on this matter from TAT)</p>	<p>JR</p> <p>LN/JR</p> <p>JR</p>	<p>Sept 2021</p> <p>By Sep 21</p> <p>WC 13.7.20</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<ul style="list-style-type: none"> • Should an outbreak of 5 positive cases within a class occur, then the school will follow its Outbreak Management Plan. • Virtual meetings will still be held where appropriate and if this will save time. • PPA will continue to be taken at home. • Staff room will revert to main staff room. • Children to continue to sanitise hands at the same points as 2020-21. • Tissues and bins remain available for Catch it, Bin it, Kill it. • Cleaning materials to disinfect shared computers / telephones / photocopiers etc... in place • Staff will be advised to continue to not share mugs, glasses, cutlery etc... • 	<p>Ensure hand gel and antibacterial is available in all rooms and is regularly used. PH to continue to clean rooms throughout the day</p>	<p>JR/LN</p> <p>JR</p>	<p>From Sept 2021</p> <p>Sept 2021</p> <p>Sept 2021</p>	
<p>Existing measure in place for :</p> <p>Maintaining social</p>	<p>Staff, pupils, visitors, parents</p> <p>Exposure to virus</p>	<ul style="list-style-type: none"> • Staggered start and end times will end but the one way system for entering and leaving school will remain. • Face coverings will not be required unless the school has implemented an Outbreak 	<p>Letter to parents and on Website</p> <p>Ensure signage for one way</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
distancing with parents / visitors	<p>through coughing, sneezing, physical contact</p> <p>The risk of spreading the virus is greater if social distancing of 2m is not maintained</p>	<p>Management Plan</p> <ul style="list-style-type: none"> • Hand sanitizer available at school reception entrance for all visitors • 	<p>system remains</p> <p>Re-order sufficient stocks for whole school</p> <p>A clear record of who has been in school will be kept in the office.</p>			
Contamination of equipment or resources	<p>Staff, pupils</p> <p>Exposure to virus through contaminated equipment or resources</p>	<ul style="list-style-type: none"> • In Early Years specific equipment will be cleaned as requested as part of good hygiene practices. • iPads and computers will be wiped after usage as continued good hygiene controls • Sharing of equipment will be minimised if possible but will not be mandatory • Stocks of disinfectant and cleaning products monitored weekly to maintain appropriate levels • Reading books will be distributed as normal but classes may introduce systems for changing books on specific days • Additional hours for cleaning staff, including provision for cleaning during the school day 	<p>Discuss with PH</p>	<p>JR</p>	<p>Sept 2021</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<ul style="list-style-type: none"> Children will continue to come to school in their PE kits. If PE is indoors children will come in their indoor kit and a tracksuit on top which will be removed. 	Letter to parents	JR	Sept 2021	
<p>Existing Measure in place to:</p> <p>Prevent spread of virus due to hygiene issues</p>	<p>Staff, pupils</p> <p>Risk of spreading virus due to lack of handwashing</p> <p>Risk of spreading virus through contamination of surfaces</p>	<ul style="list-style-type: none"> All pupils / staff sanitise hands for 20 seconds regularly on arrival to school, before and after eating, before filling water bottles, after sneezing or coughing and at regular times throughout the day Regular inspections of handwashing / toilet facilities throughout day to ensure appropriate levels of soap / paper towels etc... Stocks of handwashing equipment monitored weekly to maintain appropriate levels Additional hand sanitizer available in all classrooms. Ensure supervision of hand sanitizer use to avoid ingestion. Small children and pupils with complex needs should continue to be helped to clean hands properly. Skin friendly cleaning wipes can be used as an alternative. Alert premises staff of any risks that emerge during the day in toilets Increased cleaning throughout school day and at end – paying particular attention to door handles, banisters, light switches, sinks, toilets, toys, books, desks, chairs Tissues readily available – pupils trained to 'catch it, bin it, kill it'. Bins emptied daily. All rooms well ventilated with windows / doors 	<p>Handwashing routine established for each class and clearly displayed for all to see. Messages given in assembly. Signage in all classrooms and toilets</p> <p>Caretaker to complete.</p> <p>PH to monitor</p> <p>PH to monitor.</p> <p>JR to discuss with GS. Create plans if necessary.</p> <p>All staff aware of this requirement</p> <p>PH to have increased responsibility and clear timetable of actions to complete</p> <p>All classrooms cleaned daily</p> <p>Windows always open where</p>	<p>JR</p> <p>Class teachers</p> <p>Caretaker</p>	<p>By Sep 2020</p> <p>Sep 2020</p> <p>Sep 2020</p> <p>Sep 2020</p> <p>Sep 2020</p> <p>Sep 2020</p> <p>From Sept 2020</p> <p>Sept 2020</p>
