Head of School: Mr J Raw

23rd March 2022

Dear Parent

On Friday 8th April, we will be taking the children to East Park for a well-being walk. We will transport all of the children to and from the park by bus.

This will give the children a chance to enjoy the surroundings of the park and also to get some quality fresh air and exercise. Children will also have the opportunity to see how the park is changing at this time of year, which will tie in with their learning in Science too.

We hope the children have a lovely time.

Please can you sign and complete the consent form for this trip, which your child will have brought home with them today. If you require an additional slip, please contact the school office.

Yours sincerely

Mr J. Raw
