

# Is it a Bug's life?

## Vocabulary we will learn and use

**Chrysalis/cocoon**

**life cycle**

**froglet**

**invertebrate**

**tadpole**

**symmetrical**

**minibeast**

**the water cycle**

**habitat**

### What will I learn?

- To describe the lifecycle of a butterfly and a frog.
- About different habitats We will learn to recognise and talk about some similarities and differences between minibeasts that grow and live in the UK and in other countries.
- To describe the water cycle in simple terms.

### Development Matters

- Recognise some similarities and differences between life in this country and life in other countries.
- Explore the natural world around them.
- Describe what they see, hear and feel whilst outside.
- Recognise some environments that are different to the one in which they live.
- Compare and contrast characters from stories, including figures from the past.
- Use talk and new vocabulary to explain how things work.
- Articulate ideas and thoughts in well-formed sentences using a range of connectives (because, but, etc).

### What will I read?
