

Changes for Next Week

Following the relaxation of guidelines for Covid 19, I have made the decision for us to return to our usual drop off and collection arrangements. This will mean that from Monday 16th, you will no longer be required to enter the school via our one way system. Instead you may enter the school site through the main gate and leave through the same gate.

At 8:35 a.m. a bell will be rung at which point class teachers will be on the playground to meet each class. I will explain in assembly tomorrow where I would like Years 1 to 6 to line up on hearing the bell. Foundation 2 will continue to line up outside of their classroom, and Foundation 1 will be dropped off as normal at their gate please.

At home time, children in Year 4 and 3 will continue to leave through their classroom doors. Year 5 and 6 will leave through the KS2 door. Year 1 and 2 will leave school the same as before and the same for Foundation 1 and 2.

Could I take this opportunity to thank all parents and carers who have used the one way system during the last 2 years. I am so glad that we can now end this too.

Playgroup

Just a reminder that our Stoneferry Playgroup runs from 1:45 p.m. every Thursday until 2:45 p.m.. We hope to see as many of you there as possible and please invite friends with small children too who are not connected to the school. Thank you.

Names in Uniform

Could I just ask you to check uniform for names please. We have a lot of clothes at the moment without names which makes it hard for us to return it to the correct owner. Thank you

Year 6 SATS Assessments

This week in school, our Year 6 pupils have completed their end of Key Stage assessments. The children have sat papers in Reading, Spelling, Punctuation and grammar and Maths. Each morning, they have been provided with a special breakfast to prepare them as much as possible and I would like to thank everyone who contributed to and supported this too.

During the assessments, what has been abundantly clear to me has been that this group of Year 6 children are a very special bunch indeed. Their attitudes have been faultless and they have applied themselves so well throughout each of the papers. Following their return to school in September 2020 they have worked so very hard to plug the necessary gaps in their knowledge and I am so very proud of each and every member of the class.

Yesterday following their last test they were rewarded with sausage and bacon sandwiches to say a big well done to them. Now complete, the children will continue to be challenged and pushed so that they are best prepared as they move onto Secondary school too.

Congratulations to two of our Year 3 Sporting Superstars this week who proudly showed me their trophies for excellent sporting performance over the weekend. Tom and Lily are no strangers to this section of the newsletter and absolutely love sport.

Lily plays for her football team on a weekend and Tom somehow manages to fit in Rugby around his multiple other clubs that he attends.

Well done to both of them and keep up the good work!
