

This week has been good to get morning and afternoon routines back to normal. Apologies for the time at which the gate has been opened on a couple of occasions, but in school we are having to adjust to the new procedures too. This has been a great week at Stoneferry with lots happening for the children and again lots of really good work taking place.

On Thursday we had a visit to school from the Trust CEO Dr Cathy Taylor. She was amazed by the children during her short visit and how well they spoke and joined in with conversation too.

On Monday we discussed how this was also Walk to School week. Well done to everyone who may have walked as an alternative to the car this week. Mr Austyn has been tracking the percentages of children in each class who have walked so it will be interesting to see after today which class has scored the highest percentage.

Thank you also to the PTA this week and Greencore for providing the cakes we have had on sale. I'm sure your households enjoyed these as much as mine this week.

In school this week our Year 2 children have been completing their SATS assessments too. Having helped with these it is clear just how hard the children have worked and are doing their very best to use everything they have learnt.

Starbooks

On Monday we had the return of Starbooks. This has always been a really successful event for everyone connected with the school but this week it was especially great to see parents in the school enjoying reading with their children.

There was an excellent atmosphere in the hall too before the start of this with parents enjoying a coffee or tea and a good chat with one another.

We have our next event on 16th June, at which we hope that we will have even more parents attending.

Police Visits for Year 1 and 2

Over the last couple of weeks we have had visits from the Police to talk to the children in Year 1 and 2 about the work they do each day.

If you were driving down Chamberlain Road yesterday you may have noticed our Year 2 children zapping cars to find out how fast they were travelling which the children enjoyed but also learnt a great deal from.

We will be having further visits in Key Stage 2 during next half term too.

Sporting trips Next week

Just a quick reminder that next week, children in Key Stage 1 and 2 will be visiting Pelican Park to take part in Cricket/ Striking and Fielding activities. Please can I request that if you have not yet returned the reply slip to give your consent for the children travelling to and from Pelican Park on a bus, that you do so before the day of your child's visit next week.

Tuesday—Year 1 and 2

Wednesday—Year 3 and 4

Thursday—Year 5 and 6

Art Competition Results

Unfortunately, Miss Brady has not been in school to judge the Art competition entries this week. Prizes have been bought though so once she is back this will be done and the winners and runners up announced on next week's newsletter.

Census Day

Thank you for such a good turnout for our Census lunch yesterday. I hope the children enjoyed their pizza and pasta, and who knows maybe they will win the top prize of £20 on Monday.

Finally, another massive well done to Billy (Year 1) and Tom (Year 3) for their sporting achievements at the weekend. Billy was player of the week for his rugby team Hull Dockers which is a great achievement. Tom also ran a PB in the latest Park Run and here can be seen at the start of the Hull Harriers running event which took place recently. Tom can be seen taking part against children much older than him here and mum tells me he absolutely loved it. I am sure great things await Tom if he continues to compete and work hard.
