

And like that the first half of the summer term is complete. It has been a whirlwind! Well done to our Year 2's and 6's for completing their SATS tests and also to all of the children for their hard work in school over the last 5 weeks.

Our attention has now quickly turned to events coming up when we come back. The Summer Fair (July 1st) is now firmly on the agenda and Mrs Barley has now emailed a letter with information on how you can help out with this if possible. In addition coming up in June will be our next Starbooks event, our first ever Careers week and also our sponsored reading event too. For our careers week, we would really like to involve parents to talk to the children about the work they do. More details are in the letter that has been sent home but if you think you could contribute please do get in touch.

Miss Brady has spent this week looking over the entries for the Art competition and after careful consideration has chosen winners and runners up. The competition had some fantastic entries and we hope that the children all like their prizes. The work will be going up on display in the KS2 corridor in the near future and will be available for everyone to see. I have added photos of the winning entries in each class to page 2 of this newsletter.

Finally, have a lovely half term and we will see you on Monday 6th June.

Miss Lancaster

I am sad to say that at the end of the summer term, Miss Lancaster will be leaving Stoneferry. Miss Lancaster has been at the school since she trained with us and has secured a new role at another school for September. We are sure that this will give Miss Lancaster a new challenge and a different range of experiences for her to explore in her career. Whilst we are really sorry to see her leave, we all wish her the best of luck and know that she will be a hit. I would also personally like to thank Miss Lancaster for all she has done and continues to do for Stoneferry.

It's a Bug's life in EYFS

Monday this week was Bugs day in EYFS and thank you to everyone who was able to join us for the afternoon to spend time learning with your children. By the looks of the costumes and face painting everyone had a wonderful time and speaking with the children they are fascinated about their current topic. I can't wait to see the butterflies emerge in the near future and have loved watching our snails. Clearly, learning is really alive in the EYFS and I am sure events like that on Monday will last long in the children's memories. Well done.

Pelican Park Afternoons

A big thank you to Pelican Park for hosting our children this week> Classes from Year 1 to 6 have been to Pelican for Cricket afternoons and all the children have had an enjoyable time. Before we know it we will be back for Sports Day on July 19th and we hope you will be able to join us for this too.

Jubilee Celebrations

This afternoon we have all enjoyed our Jubilee celebration in school. Thankfully the weather was kind for us and the children have had a wonderful time. During the afternoon they have taken part in a number of games and activities to celebrate this special time and also have had the chance to sing together and to think about how incredible it is that the Queen has ruled over the country for 70 years. Activities have included: cricket, pin the tail on the corgi, quoit throwing, arts and crafts and also juice and biscuits too.

Each child has taken away a keepsake for the day and I am sure will remember the occasion as they grow up.

Sporting Superstar!

Well done this week to Jessie in Year 4. At the weekend she took part in a new challenge of kayaking for the first time. Jessie and her sister Jasmine were really nervous at first but faced it head on and both ended up really enjoying it and now want this as a regular thing to do.

Stoneferry Primary School—May Newsletter—Week 4

Here are the winning entries from each class. Well done to them and everyone who took part!

EYFS - Cooper

Year 2—Liam

Year 3—Libbie
